## Young Living products we recommend for college students:

### NINGXIA RED:

We are often asked for the ONE product we recommend the most. Well, here it is: NingXia Red. A powerful, anti-oxidant drink that effects every system in our body to support overall health, energy levels, and so much more. All you need is 1-2 oz, 1-2 times a day. It comes in 24 oz bottles and 2-oz travel packs.

**Energy + Focus:** Crush studying while supporting your body's health & wellness

- NingXia Nitro:** Created specifically for cognitive fitness. Helps give you sustained focus without jitters.
- NingXia Red:** Awesome for so many things. Energy is just one!
- Peppermint:** Add a drop to water, sniff the cap as you do so, feel the clarity!
- En R Gee:** Especially potent when stress might be effecting your energy and focus. (Ahem...as in the entire time you are in college! :-) )
- Zyng:** YL's newest addition to the NingXia Red collection - a healthy soda!

**Stay Healthy:** Keep your immune system strong & stay healthy

- NingXia Red:** Fabulous support for the immune system.
- Thieves:** Once you try it, you'll never go back. Add it to water, rub on feet, diffuse. Keep yourself healthy in tight quarters and when under stress.

- **Inner Defense:** Thieves on steroids. With the addition of oregano, thyme and other immune supporting oils, Inner Defense is a powerful tool when your body needs an edge.
- **ImmuPro:** Lovely dose of support when you are under stress with a touch of melatonin to help you sleep soundly throughout the night.
- **Thieves Spray/Hand Sanitizer:** To keep germs at bay when you are on the go!

**Relaxation:** Ready to kick back and let go of the stresses so you can focus or sleep?  
#There'sAnOilForThat

- **Stress Away:** One of our faves! It's name says it all!
- **Lavender:** If you love lavender, you'll be thrilled with therapeutic grade lavender!
- **Tranquil:** A lovely roll-on for keeping you calm and relaxed throughout the day.
- **RutaVaLa:** With Ruta Graveola, Lavender, and Valerian, this roll-on is key for a good night's sleep.

**Muscle Relaxation:** Tension from computer work? Stress? We got you covered!

- **Cool Azul:** This fabulous product is both a gel & an oil blend. The gel contains aloe which makes it super easy to rub on to any sore spots. Cooling and penetrating... ahhh...
- **Deep Relief:** One of our favorites! This roll on is great to carry in a backpack for quick muscle release whenever you need it.
- **Panaway:** With penetrating Wintergreen essential oil, this oil blend is lovely for tension.
- **Ortho Ease or Ortho Sport:** Fabulous massage oil to rub into those tight spots.
